## All Purpose Bathroom Spray

### Materials Needed:

- Spray bottle
- Distilled white vinegar
- 1 cup water
- 8-10 drops of essential oil

### How To:

Fill spray bottle with half distilled white vinegar, half water (amounts will vary depending on the size of your spray bottle) and a couple of drops of essential oil. Leave to dry.

### Green Goodness Tip:

This is great for killing bacteria in and around the toilet and in your bathroom. It's also great for preventing and repelling mold and mildew and will keep your porcelain and fixtures shining bright.

### Use On:

Toilet, floors, tile, grout, fixtures, sink, tub, shower curtains, glass
